10:00- 11:00 AM -Presentation

11:00-11:30 AM -Questions & Open Discussion

Some of the things you'll learn:

- Why we have stormwater management, and what the Clean Water Act means for all of us.
 - How stormwater fees are calculated and why.
- Various ways stormwater, water and sewer impact real estate and our pocketbooks.
 - The extent of our water and sewer infrastructure now, and where it may be in 5 to 10 years.
 - How these departments can help you as a REALTOR® or Home Builder.

Presenters:

Andy Allen, W-S Stormwater Management Department & Charles Hendrix, W-S/Forsyth County Utilities Division
