What's better than effective advertising?  
**FREE** effective advertising!

It's not fair to keep a great idea like  
HomeSpotter to yourself - Tell a friend!  
When they sign a 12-month contract for a  
1/4, 1/2 or full-page ad, you get the size they  
sign-up for added to your contract - FREE!  
(That's a \$145-\$445 value just for having a friend!)
